Sew n Share days are open to everyone without any class fees. These days are designed for quilters to gather for sewing, sharing and socializing while working on the designated project. We will be having many of these days this spring so if you have an idea of something you would like to learn or to share with others – please let us know and we will get it on the calendar!! Space is limited to 7 students so we will be doing a first come basis.

Days that are marked “continues” are ongoing groups that are full at this time.

Mystery Sew n Share – you will be given the supply list to complete the project – There will be 5 sewing days (with perhaps a little homework) before the reveal – Confident beginners/Intermediate
